Sick Headache

21 Years' Experience Ended by One

Mr. Ed. Swan, Duaneville, Ill.

"Few people have suffered as much as I have with sick headache. I have had it by spells for 21 years, sometimes as often as

Three Times a Week. I would get up with it and have it all night. I tried everything that was recommended, but never was cured until about a year ago, when

My Mother-in-Law persuaded me to try one bottle of Hood's Sarsaparilla. I am glad to say that it cured me, and I have not had a sick headache since I took the first bottle of Hood's Sarsaparilla. It has

done me a great deal of good in other ways, and has increased my weight from 125 to 145 pounds. I cannot praise Hood's Sarsaparilla enough." Mrs. Ed. Swan, Duaneville, Ill.

BALD HEADS!

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

Is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the disease of the hair and scalp led to the discovery of a new hair restorer, "Skookum Root Hair Grower." It is not a dye, but a delightfully cooling and refreshing tonic, by stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.

Keep the scalp clean, healthy, and free from irritating eruptions, by the use of Skookum Root Hair Grower. It delays premature months, which feed on and destroy the hair.

If your druggist cannot supply you send direct to us, and we will forward prepaid, on receipt of price. Grower, \$1.00 per bottle; 5 for \$5.00. Skookum Root Hair Grower Co., 37 South Fifth Avenue, New York, N. Y.

SPRINGVILLE sent four young missionaries out this week. A ball and supper, a hand shake of money in it, and a God bless you, left a good impression on the boys of appreciation at home, and approval in their labors.

The ladies of the Fourth ward relief society gave a ball and supper last evening to all the older members of the ward. It was well attended and from the way dancing was emphasized it must have been thoroughly enjoyed. The supper was abundant and elegant.

The firemen on reaching Springville last evening, found that their dance had not been very well advertised in consequence of the failure to carry out their plans by the parties in whose hands the matter was left. As a result there was not a big crowd out, but a general good time was had.

Drs. SHORES & SHORES will be in Provo two days next week, for consultation. The days will be announced later. They will be pleased to see their old friends and acquaintances.

Drs. SHORES & SHORES will be at the Roberts Hotel Saturday, Sunday and Monday, the 20, 21 and 22.

warrant of law cast, counted and returned as a part of said eleventh district. That fifty-seven votes were cast within said Mapleton precinct at said election, of which the contestant received fifteen and the contestee received forty-two. That contestant received, as returned by the Utah commission, \$59 and contestee \$58 votes. The committee was of the opinion that the twenty-five ballots cast by parties residing within the twelfth district should be thrown out and deducted from the total number received by the contestant and contested in said Mapleton precinct in proportion to the number of votes received by each in said precinct, which would reduce the contestant's total vote in the district to \$49 and the contestee's to \$40. No effort was made by the committee to ascertain how those twenty-five voters voted.

The council returned the statehood memorial, as it had passed without amendment, and also the bill for contingent expenses, with the \$1,000 substitute for \$2,000.

I remember when I thought it unworthy of Lucy Stone to speak in public as she did, because I thought it was hardly proper for a woman to be so conspicuous. I speak of this because it pains me to think that any woman should ever have looked askance at one who was so great and noble a laborer for the interests of her sex. But I was only one of many, and we should be thankful that our horizon has broadened to its present circumference. If Mrs. Stone were to start again today she would not find, as she did then, that nearly the whole world was against her.—Julia Ward Howe.
